ABOUT TOWN.

Col. H. M. Field has been ill for several days, though not seriously so.

The Rio Grande train came up from Point Isabel at 1:30 this afternoon.

Miss Aggie Douglas has been sick for several days, but is now improving.

Miss Helen Kennedy was quite ill for two or three days, but is now getting better.

Louis Kowalski is confined to his house, suffering with a carbuncle on the back of his neck.

The Misses Dougherty expected to leave for Hidalgo today but postponed their trip on account of the weather.

The public schools were reopened today, but the convent academy and St. Joseph's college will remain closed until Monday.

The weather, permit us to remark, has been somewhat remarkable for Brownsville the past two days, with a cold norther and rain.

THE HERALD bill collector will call on its Brownsville patrons on Saturday, and it is hoped that those who are indebted to the paper will kindly be prepared to settle their accounts.

The Rabb lands which were advertised for sale under trust deed, were bought in yesterday by C. H. Maria substituted trustee for the British and American Mortgage company, which held the lien.

TO THE DEAF.—A rich lady, cure of her Deafness and Noises in the Head by Dr. Nicholson's Artificial Ear Drums, gave \$25,000 to his institute, so that deaf people unable to procure the Ear Drums may have them free. Address No. 491 D. The Nicholson Institute, 780, Eighth Avenue, New York.

Dr. and Mrs. A. L. Edwards, formerly of Brownsville, are visiting their son J. H. Edwards in Laredo. The doctor contemplates returning with his family to reside again in Hidalgo, where they formerly made their home. Their old friends in this section will be pleased to have them amongst them once more.

Lieut. Bates accompanied by Rangers Livingston, Shute and Robuck came in this afternoon with two prisoners, whom they placed in jail. The prisoners are Ramon and Alfredo Carday brothers, who are charged with the theft of cattle from Mrs. King's ranch, El Sauz. The arrests were made about ten miles the other side of El Sauz station.

The temperature last evening fell almost to the freezing point, and early this morning it also hovered about the same degree, but has recently warmed this afternoon to the normal temperature.

The schooner Olga, from Galveston, arrived at the Southern Pacific docks in Galveston. She came here with coal for the Southern Pacific work and is discharging at pier B. The Olga drew thirteen feet of water, in ten with coal. She was towed to pier B by the tug "Charles Clarke."

Union Hall.

A brilliant social success was the annual ball of the Casino Union of Matamoros, at which the members of the club and their friends watched out the old year and century and welcomed the new, with dancing and feasting and all the good cheer which forms the usual accompaniment of the season. Owing to the unfavorable weather some who anticipated going from this side of the river, did not do so, but still Brownsville society was well represented and the usual complement of society folk was present. The dancing was more than usually enjoyed, on account of the cool weather, and the finest music obtainable made the exercise a delight. The opera hall presented a most brilliant appearance, with its many lights and beautifully gowned women. The gentlemen exerted themselves to insure the complete enjoyment of their fair guests, and the success which crowned their efforts does much credit to the Casino Union. The supper was served at midnight was all that could be desired, the menu comprising cold turkey, ham, various salads, cheese, olives, fine wines and coffee, the new year and century being toasted with sparkling champagne.

It is regretted that a description of the costumes worn by the ladies present could not be obtained. Following are those who attended from Brownsville: Mesdames Natanson, H. Bollack, and Dougherty, Misses Rentré, Eleanor Russell, Woodhouse, Hetty, Alice and Lillian Dougherty, Sada, Ray and Rosa Stowe, Delia, Ida and Leah Roussett, Larrea, Messrs. Dworcan, Dougherty, Creager, E. B. Rentré, jr., Crockett, Huston, A. Thornham, Maris, Dreyfus, G. Stowe, jr., F. Putegnat, J. Bollack, L. Wise, H. Dennett, W. Roussett, E. L. Kowalski, A. Alonzo, A. Larrea and Capt. Ayres.

PURELY PERSONAL.

Miss F. Champion was a passenger to the Point yesterday.

Operator Sanborn spent yesterday at Point Isabel.

Miss Lily Mielke, who has been spending the holidays at Point Isabel with her mother, returned last evening.

Mr. and Mrs. Sprague and Miss Kennedy expected to leave on their return to the farmer's ranch in Hidalgo county today, but, owing to the cold weather, postponed their departure.

Prof. M. Gonzalez, who has been visiting relatives for several weeks in Matamoros, left today en route to Victoria, the capital of Tamaulipas, where he has charge as publisher of "El Land," the Mexican organ of the Christian Endeavor society, and also conducts a well known Mexican musical magazine.

The schooner Olga in Galveston. The Galveston News of last Saturday says:

"The schooner Olga bears the distinction of being the first sailing vessel to berth at the Southern Pacific docks in Galveston. She came here with coal for the Southern Pacific work and is discharging at pier B. The Olga drew thirteen feet of water, in ten with coal. She was towed to pier B by the tug 'Charles Clarke.'"

INDIGESTION, resulting from weakness of the stomach, is relieved by Hood's Sarsaparilla, the great stomach tonic and cure for DYSPEPSIA.

Birthday Party.

Written for THE HERALD.

On Monday evening, Miss Sylvia Armstrong entertained quite a number of her little friends at the home of her parents, Mr. and Mrs. F. B. Armstrong, on St. Charles street, from three until six o'clock, in honor of her ninth birthday. Games and music, with delicious refreshments served during the evening, caused the hours to fly swiftly by. Miss Sylvia received some handsome presents. The two parlors and dining room were handsomely decorated with flowers and flags for the occasion.

Miss Marguerite Robide assisted Mrs. Armstrong in administering to the numerous wants of the little folks. All report this the nicest party they had the pleasure of attending.

Mad Dog!

You run for your lives when you hear this cry, and still you know that all those in the world who yearly die from hydrophobia are of insignificant number compared with those who die from some form of female disease. Pasteur has made the mad dog's bite comparatively harmless.

G. F. P. Gerstle's Female Remedy

WONDERFULLY BENEFITED HER.
I have used your G. F. P. Gerstle's Female Remedy and am now so glad that I have wonderfully benefited me. I wanted to test it thoroughly before writing, so as to find out exactly what it would do, and am convinced that it is all you recommend. I also know several others who have tried it and they are willing to give it unlimited praise for the good it has done them. I feel that I cannot say too much in regard to its merits.

A Gift to Give.

It is often difficult to decide what to get your friends for holidays gifts. Here is a suggestion:

"Good morning, Jennie, I have brought you a nice present," said Gertrude, as she handed her friend a neatly wrapped package.

The pale, weary looking girl, who was slowly recovering from severe illness, opened the bundle and held up a large bottle of clear, rich medicine.

"Hood's Sarsaparilla!" she exclaimed. "I have been reading about it today and wished I had a bottle."

On New Year's Day Jennie was able to be out on the street, and to her friends who remarked how well she was looking she simply said, "Hood's Sarsaparilla," and every one of them knew it was this great medicine that had given back her health.
